**CONVENTION ATTENDEES...** This is the tentative schedule for the C4 Convention at the time it was submitted to your editor. Please double check the schedule and room locations when you arrive at the hotel.

**C-4 Vermont Happening:** We are holding a Vermont "Happening" on Friday November 20, 2009 at 1:30PM during the C-4 Convention. Please bring all your varieties to share with your fellow C-4 Members. Jack Howes will be photographing examples for a new set of Vermont Plates being assembled. We are particularly interested in die states, variety and/or condition rarities and any other unusual Vermont pieces.

Students of the **Counterfeit British Halfpence and Farthings** will take note that there is a study group meeting at 5:30 on Friday afternoon in Carver Salon III. The topic for discussion and study is about **"Mules"**... Those coins with impossible dates – coins with GEO II obverses and Geo III reverse dates, and vica versa. Please bring any and all you have for study and a possible publication.

At 12:30 Saturday afternoon, there will be a Colonial Happening where the object of discussion, study and photography will be the **Camel head NJ Coppers with under-types**. These are the Maris 56-n, 57-n and 58-n. Whether you have one or a hundred, please plan to bring them with you for study at this event.

Although there is not a formal study on the topic, Syd Martin will be present at the convention and if any have examples of **Rosa Americana** coinage that Syd has not seen, please bring them with you so that the eventual publication of his book will be as thorough and accurate as possible. Again, if you have just one, or a hundred, please bring them along for Syd to study and possibly photograph.

THE OLDEST AND MOST PRESTIGIOUS RARE COIN FIRM IN AMERICA

### **C4's Focus and Purpose**

The Colonial Coin Collectors Club (C4) was founded in 1993 to provide a forum for collectors of numismatic material related to the Early American era. This involves coins, tokens, currency, and medals. The exact time frame encompassed by colonial numismatics is open to debate, but is generally accepted to include the complete pre-federal period as well as some issues of the 1790's. The early George Washington coins, tokens and medals are considered colonial items by most, and some of these date to the first half of the nineteenth century.

The club provides a forum for people interested in this period. The aims of the club are:

- 1- To increase the public's knowledge about colonial numismatics through meetings, conventions and its newsletter.
- 2- To promote the study of colonial numismatics and to help disseminate this information.
- 3- To cultivate fraternal collector relations.

For these purposes, the club will hold several meetings during the year in conjunction with major numismatic shows. The club has also established a colonial reference library and a colonial coin photo file. In addition, the C4 Newsletter is published quarterly.

## A FEW WORDS FROM YOUR PRESIDENT...

Welcome to the 15<sup>th</sup> Consecutive Annual C4 Convention! You have made it and prepare yourself for a time of fun! We seem to have scheduled more events than ever before. Please take advantage of as many as possible.

On the center page of this program is a map of the bourse floor, showing table locations and where the C4 Dealers can be found. These friends have traveled from across the country (and across "the Pond") to hopefully place some new material in your collections, answer questions and possibly purchase some of your duplicate coins. I personally thank them for the time and expense they endure and hope this convention is as profitable for them as it is fun for us to go home with new treasures!

All C4 events will be held in Carver Salon III, which is located on the Mezzanine Level – the same floor that the restaurant is on. The schedule of events is in this program. There is always a possibility that the hotel might have a last minute room change for us, so please check the schedule on arrival.

McCawley and Grellman are holding their 15<sup>th</sup> Annual C4 Auction. Being C4 members, you all have received the catalog and have seen the outstanding job they have done (as they have for the past 14 years)! Besides being our official auctioneers, M&G also have a table with inventory, please stop by and tell them how much you liked the catalog.

Relax, enjoy the camaraderie, learn more about the coins you collect, add a few to your inventory, buy a new book for your library... But whatever you do, have FUN!

Whether you are a seasoned convention attendee, or this is your first, PLEASE don't leave the convention without saying HI to me.
